APPROVED

ORBIT GAS COMPANY

APPENDIX F

BY _____

TERMS AND CONDITIONS FOR SERVICE TAP

1. The natural gas to be delivered to Applicant pursuant to this application shall be for the sole and exclusive use of Applicant at the above property and shall in no wise be resold or redelivered by Applicant to any other person.
2. The Company shall install and maintain at its expense, regulator and service shut-off valve which shall be the property of the Company. All other equipment and material required for such service including service line and automatic regulators shall be furnished, installed and maintained in good condition by Applicant at Applicant's expense and shall remain the property of Applicant.
3. Applicant's installation must be installed using materials approved by the Company and tested by the Company before the gas service is turned on. Applicant's gas service line shall be constructed and maintained subject to the requirements of the American Standard Code for Gas Transmission and Distribution Piping Systems (ASAB 31-1.8 1955).
4. If leaks or other hazardous conditions are detected in the service line, the Company shall have the right to discontinue service until such leaks or other hazardous conditions are repaired or remedied by Applicant.
5. Applicant shall pay for gas service each month at the Company's office a rate equal to the residential rate, including monthly minimum charges, in effect for the previous month in the nearest area served by a regulated public utility. Gas metered for non-residential seasonal use shall not be subject to a monthly minimum.
6. Payment for gas service will be due no later than thirty days after billing. Service may be discontinued for non-payment on ten days written notice after due date.
7. Company will make reasonable efforts to insure accurate metering of gas. If a meter is found to be registering low or high by ten percent (10%) or more an estimated adjustment will be made for the current and next preceding billing period.

8. Company shall refuse or discontinue service to an Applicant, after proper notice, for failure to comply with its rules and regulations or state rules and regulations or: (a) When a dangerous condition is found to exist on Applicant's premises, (b) when Applicant refuses or neglects to provide reasonable access to the premises, or (c) fraudulent or illegal use of service.

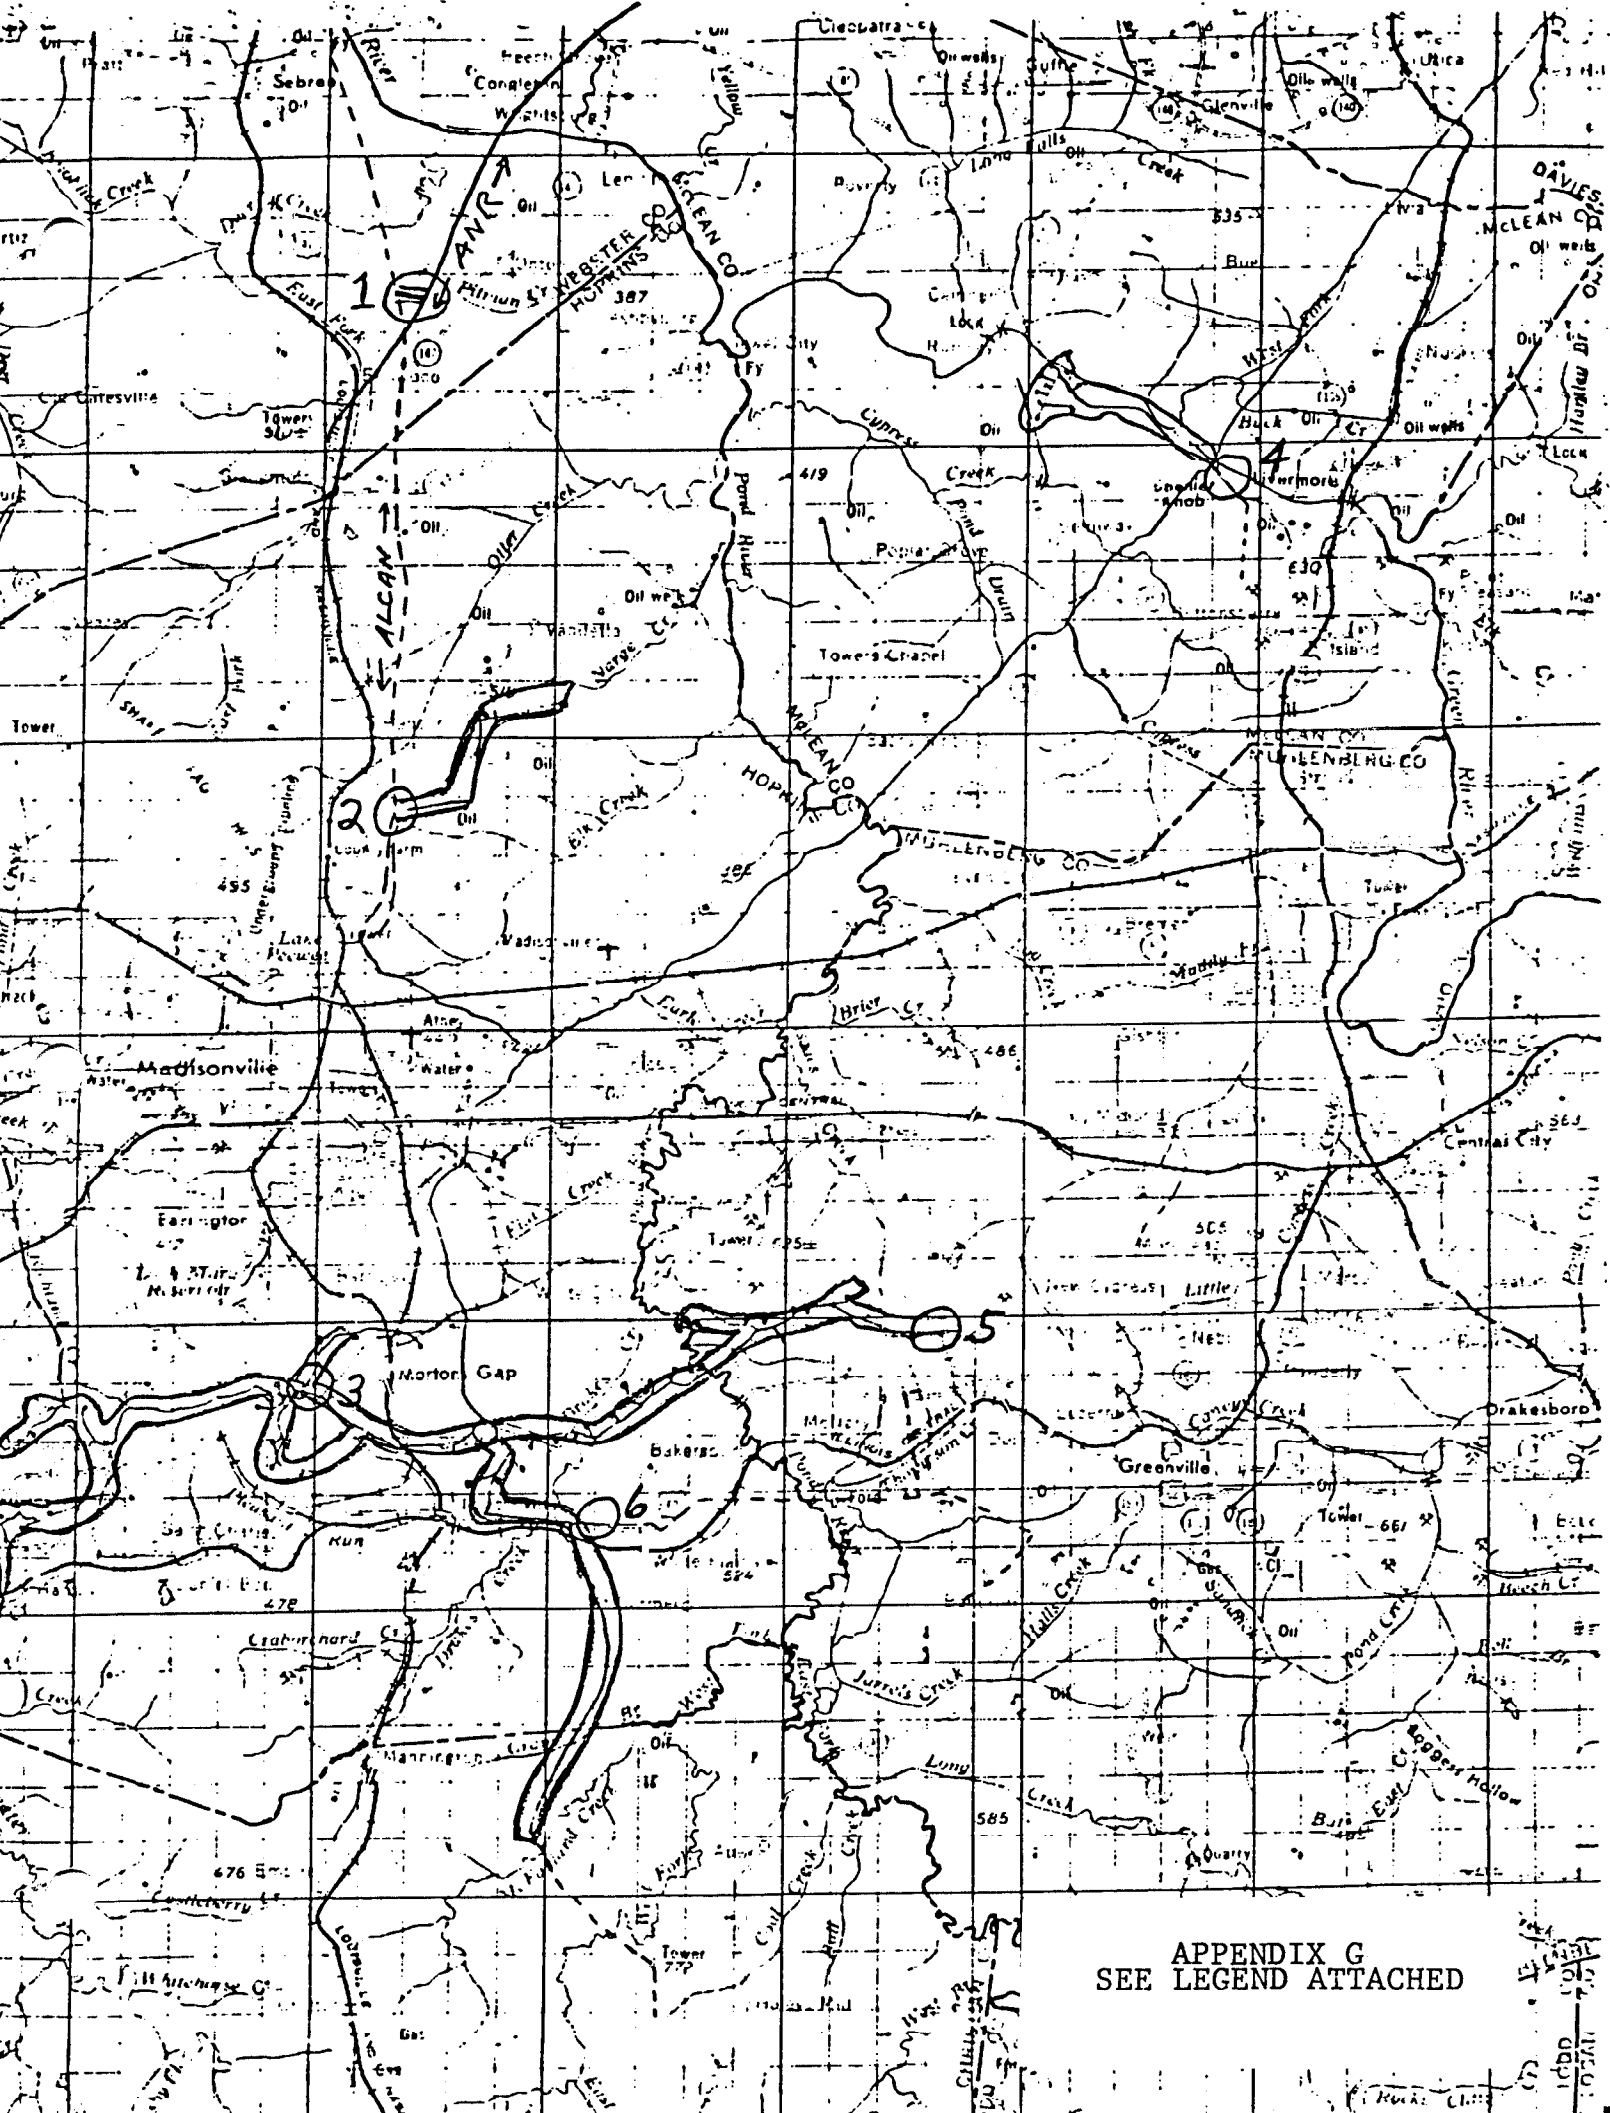

9. A reconnection charge of \$35.00 shall be paid before service is restored following disconnection of service.

10. For each meter installed by Company, Applicant will be required to make a deposit in an amount up to 1/6th of the estimated annual bill for gas service through such meter.

11. Applicant agrees that Company has no obligation to maintain a fixed or specific gas pressure or volume from any well or gathering line serving Applicant's property, and the Company will not be liable for any damage arising from loss of pressure or be liable for accidental injuries or damage which may result from any defect or failure to Applicant's service line or regulator.

12. Company will give no less than fifteen days notice to Applicant if Company elects to shut-in the serving well or to discontinue use of the serving gathering line whichever the case may be.

13. Unless otherwise provided herein, the rights and obligations of the parties shall be governed by the provisions of KRS 278.485 now in effect.
